

Sponsor Information

Thank-you for your consideration!

www.kingstonmultisport.com

Dear Potential Sponsor:

Kingston Multisport Inc. is a non-profit organization. Our members are active in many eastern Ontario triathlons and duathlons and various international triathlons/duathlons.

We accept sponsorship for each season. Our sponsorship season begins each January 1st and runs until December 31st. While we do not offer exclusivity from other sponsors, we actively promote the posting of member and sponsor information on our website and prohibit postings from for profit non sponsors. Your sponsor dollars support our club in many ways such as coaching, events, training, social functions.

In exchange for your support we offer:

- *Access to your target market
- *Rotating banners on the front page of our website that link back to your website (see egs. included in this package).
- *Ongoing display of your logo and link to your website on the KMS website front page.
- *Up to 6 information stories about your events, sales promotions or other messages prominently displayed in the KMS news section of the website.
- *Ability to post messages on the KMS messageboard to announce sales promotions or other current activities.

The cost per season is \$200.00. We regret that we cannot accept merchandise in exchange for the \$200.00 fee. If you would like more information or would like to become a KMS sponsor we encourage you to contact Cindy Healy (KMS Webmaster and Communications) at cinder560@hotmail.com.

Regards,
KMS Board of Directors 2007-2008
